APPRENTICESHIP CHAMPION NETWORK

// We want to identify 1000 exceptional individuals working in schools across England to sign up to the Apprenticeship Champion Network.

Champions will receive exclusive access to the latest apprenticeship resources and be given a range of free apprenticeship support for their school.

Your school will be able to enter for awards, share best practice with schools across England and directly influence future campaigns.

How to join? Simply email hello@amazingapprenticeships.com and let us know if you're interested. //
